

## OMEGA

Vacuum utility ironing table. Ideal for domestic use, hotels, communities, it is also recommendable for the dry-cleaning/laundry industry as an emergency ironing unit. With folding support legs reducing space, packing and freight charges. With heating element for the ironing surface; regulation by thermostat. Recommendable in conjunction with a steam boiler of the line BABY placed on the rear side of the table.

## BABY

Automatic steam generator with manual water supply, set with professional iron:

### Baby 1.8

- 1,8 lt boiler
- Controlled by two thermostats
- Autonomy 2/3 hs.

### Baby 2.3

- 2,3 lt boiler
- Controlled by thermostat and pressostat
- Autonomy 3/4 hs.

### Baby 4.0

- 4 lt boiler
- Controlled by thermostat and pressostat
- Autonomy 4/5 hs.
